Remember When	100

Chester High School
Chester, New York

Throughout My School Years My Friends Have Always Been There
For Me.
They've Kept My Confidence Strong, My Spirits High.

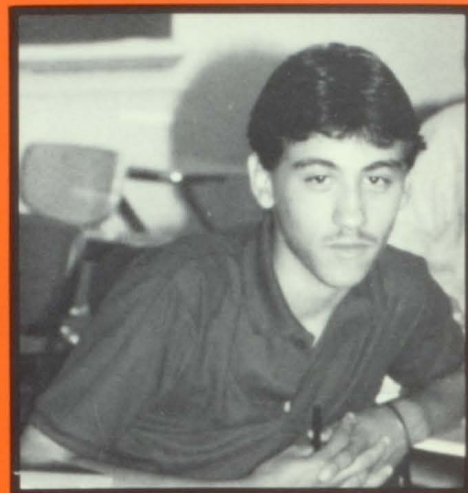

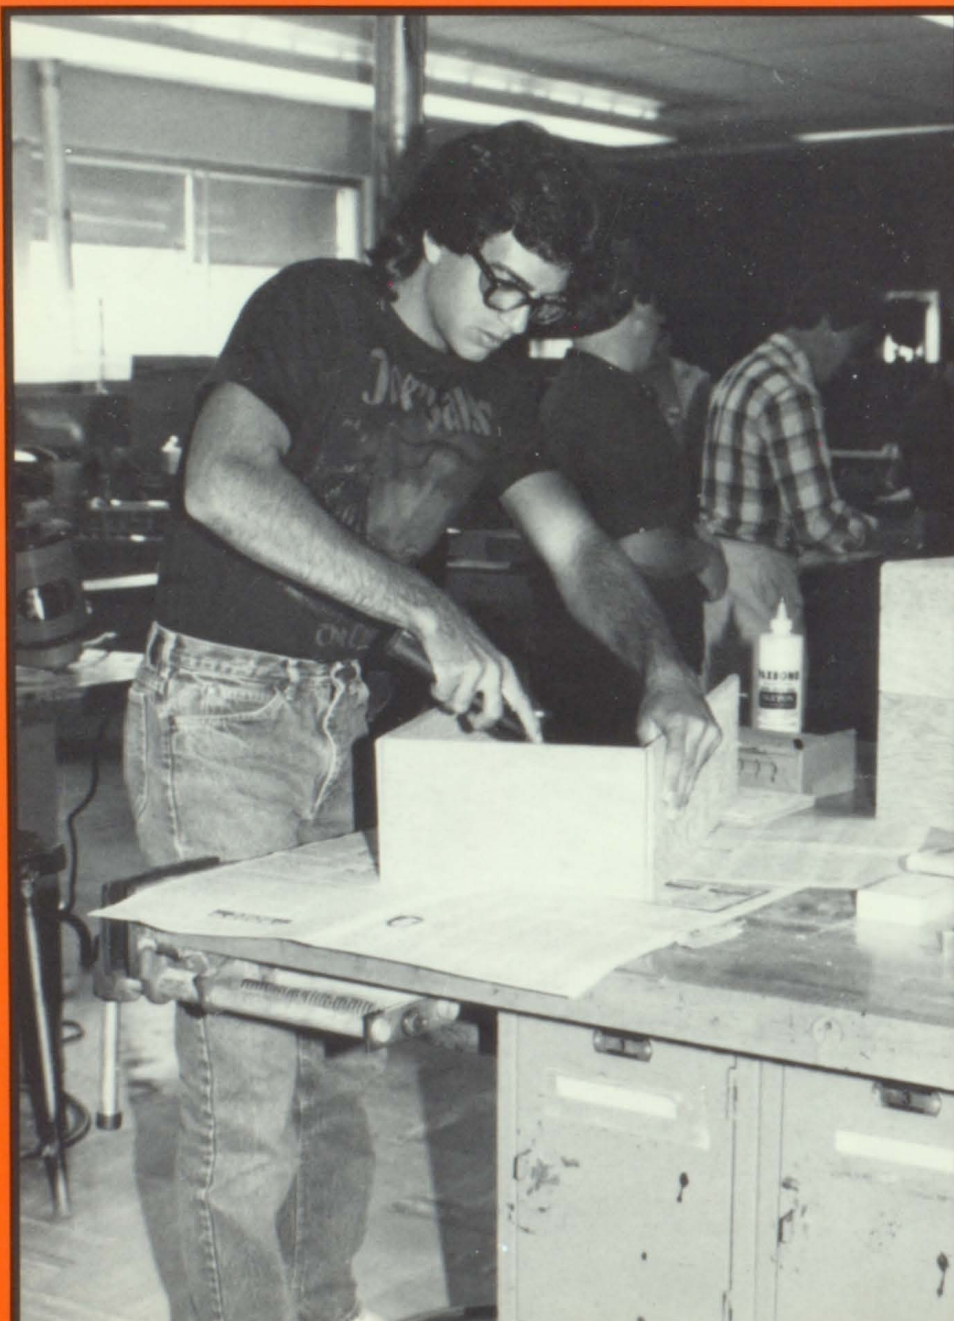

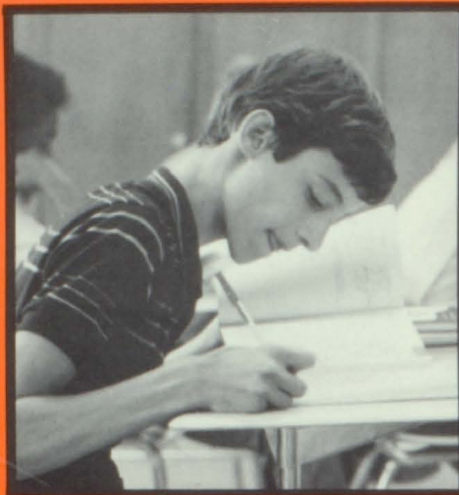

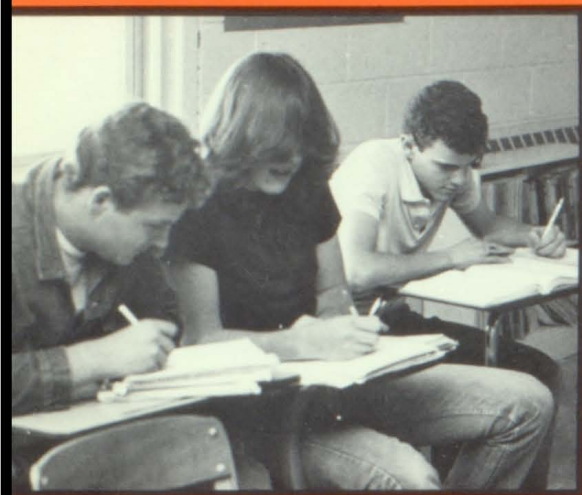

We've Talked And Laughed Until We No Longer Could.
 Together We've Had Some Great Times,
 Never Thinking Of Tomorrow, Only Of Today.

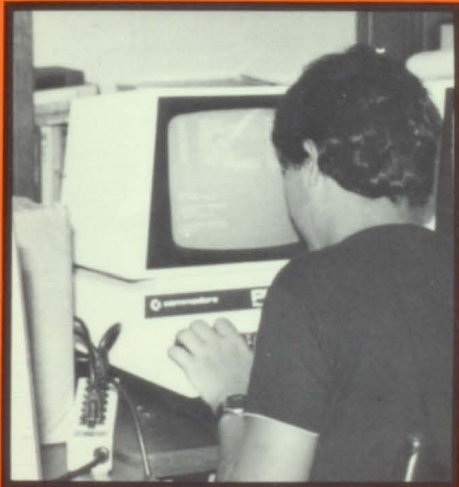

And now as thoughts of graduation fill my mind,
I fear those great times may be over
and I wonder just how many of those today's are left?

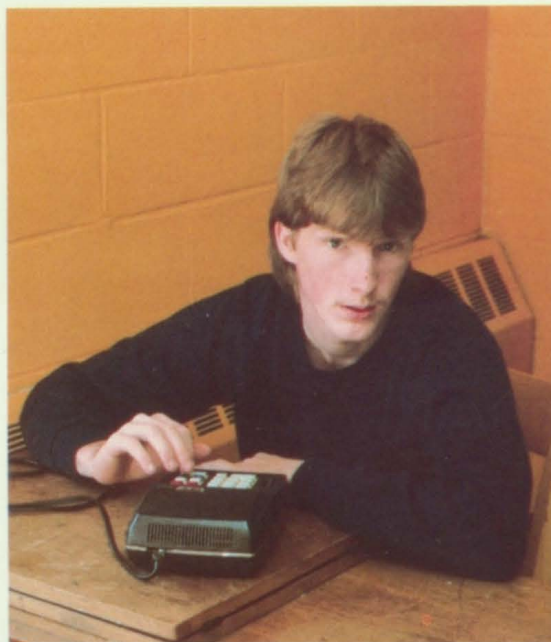

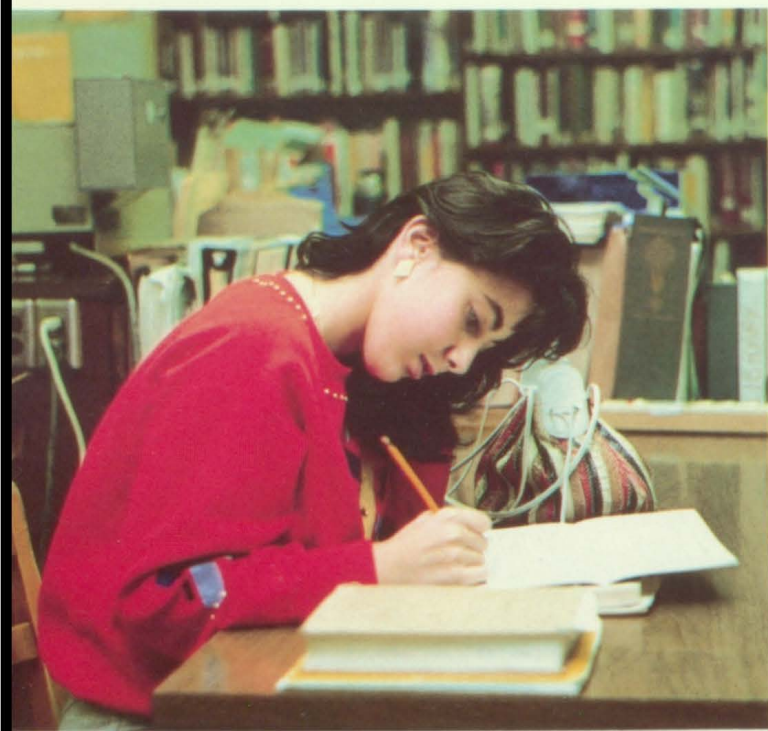

All my goals for the future and thoughts of college

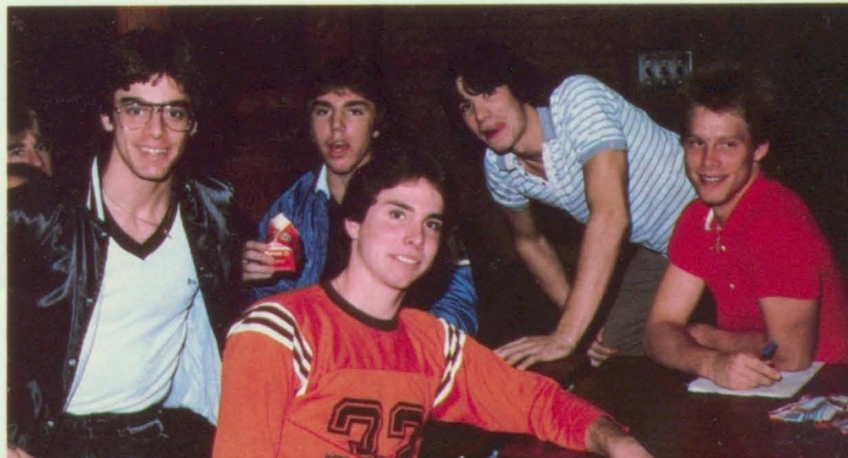

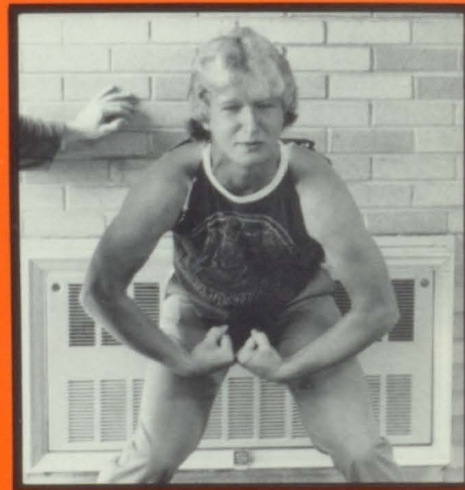

*are quickly forgotten
and replaced with fears of what is ahead.*

Graduation no longer seems like a new beginning.
It feels like a lot is ending
and I am more sad than happy.

*I wonder how will we keep in touch
with everyone going off in different directions.*

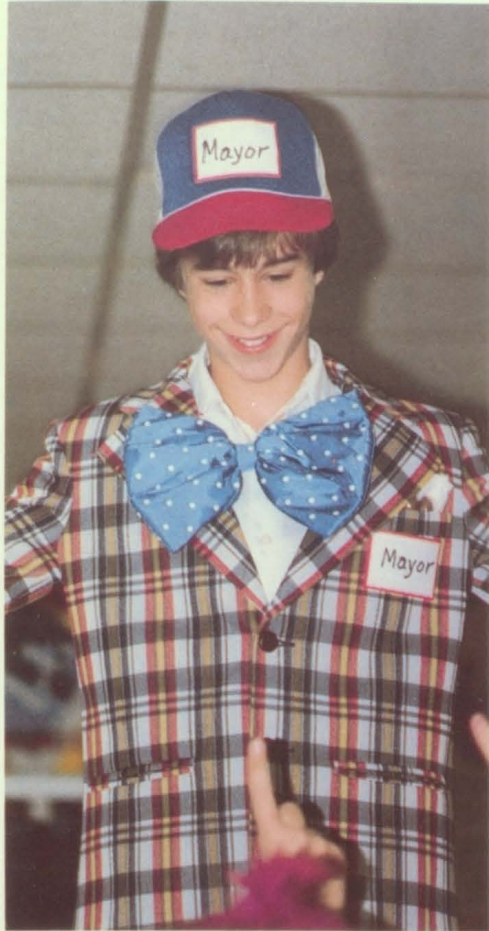

*Will we leave behind all our good memories . . .
Memories of great times and special friends?*

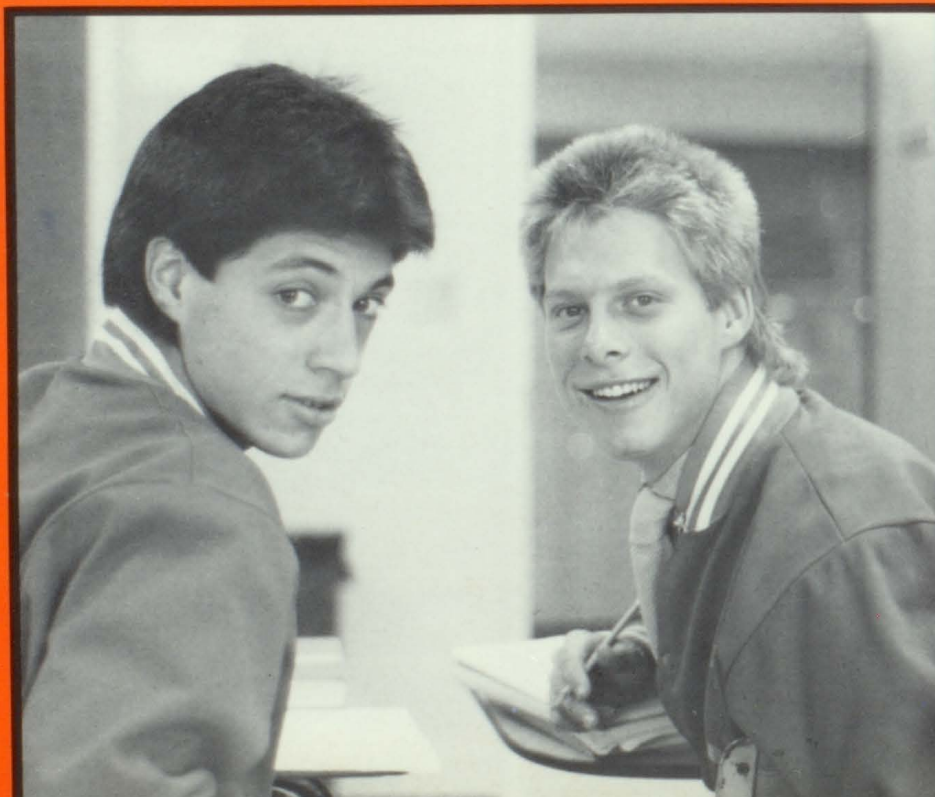

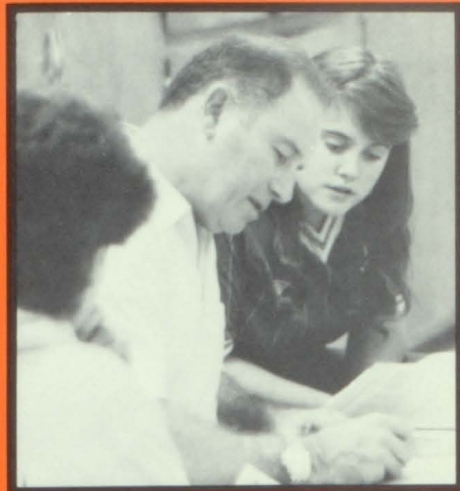

I search for a way to keep
those memories alive, the friends near.
But with the knowledge that time cannot stand still

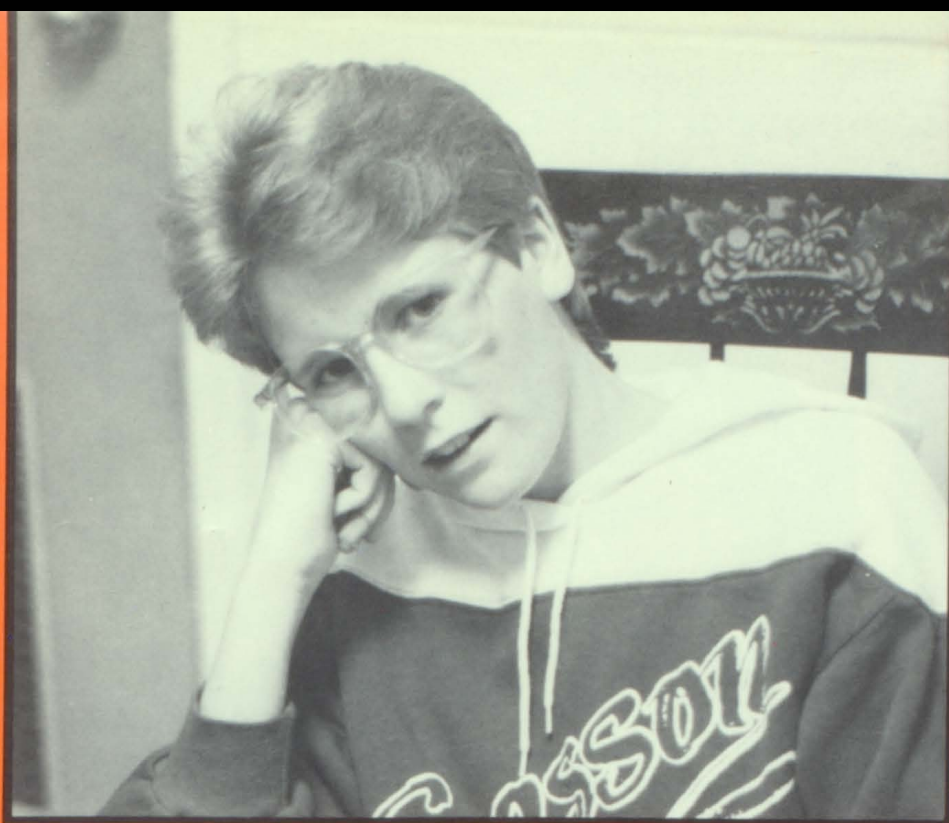

comes
the understanding
that
in our memories,
it can.

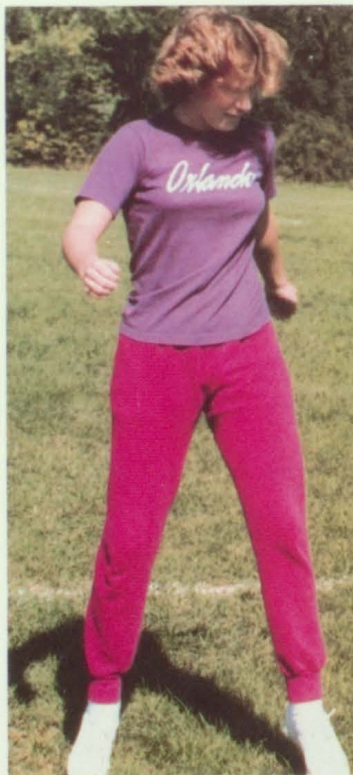

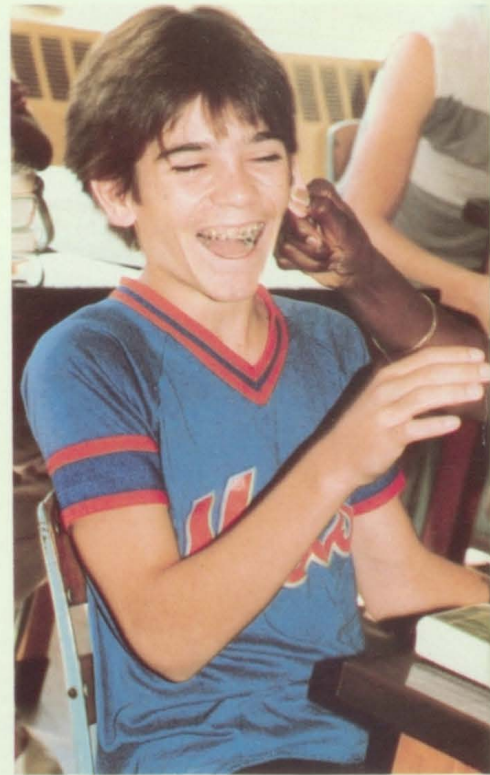

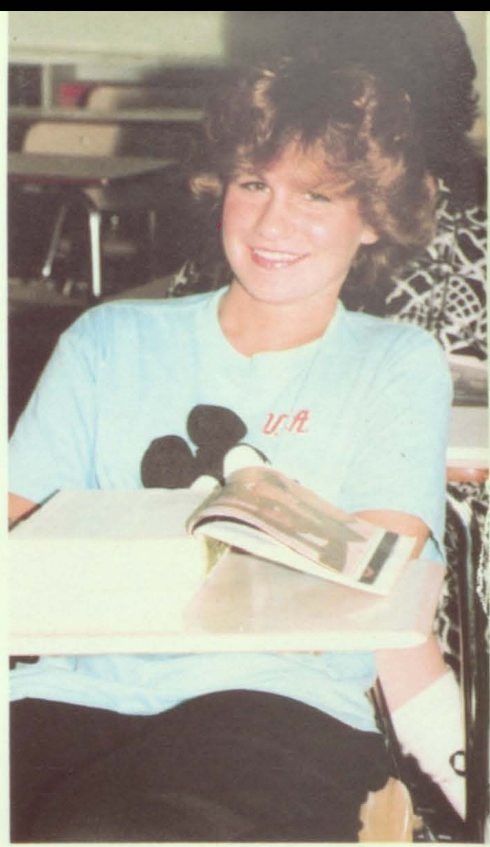

I know that these special times in our lives
will never be forgotten.

We will always be special to one another.

Keeping in touch will be easy
for such special friends.
"Come grow old with me.
The best is yet to be."

Current Events

USA FOR AFRICA — 45 American recording artists joined together to record "We Are The World" and raise millions for hunger relief in Africa. Later in the year, the two-continent Live Aid concert raised more than \$70 million.

LIBERTY — After nearly two years, restoration of the Statue of Liberty was completed. Rededication was scheduled for July, 1986.

REFRIGERATOR — 302 lb. rookie William "The Refrigerator" Perry helped lead the Chicago Bears to a Super Bowl win.

T.V. FASHION — "Miami Vice" was tops in T.V. and in fashion trend-setting. Stars Don Johnson and Philip Michael Thomas popularized casual but dressy styles in pastel colors.

JAL CRASH — A Japan Air Lines plane crashed into a remote mountainside, killing a record 520 people. 1985 was the worst year in history for air fatalities.

SUMMIT — President Reagan met with Soviet leader Mikhail Gorbachev in Geneva, Switzerland.

1985-1986

*The 1985-86 school year
Was filled with both our laughter and tears*

*While the favorite number was "Thirty-one"
The Chicago Bears had their fun
In the Superbowl Shuffle they rapped to the beat
And handed New England a 46-10 defeat*

*Madonna and Sean Penn tied the knot
The Cosby Show and Miami Vice were hot*

*Wearing his sunglasses Don Johnson's so cool
As was Sralone relaxing in his pool
Watching Rambo and Rocky IV his two latest flics
While Hulk Hogan dealt Savage a few painful kicks*

*In the World Series Kansas City beat Sr. Louis
And Nike gave Air Jordan sneakers to us
Whitney Houston sang "How Will I Know?"
On April 23rd Chester was covered in snow*

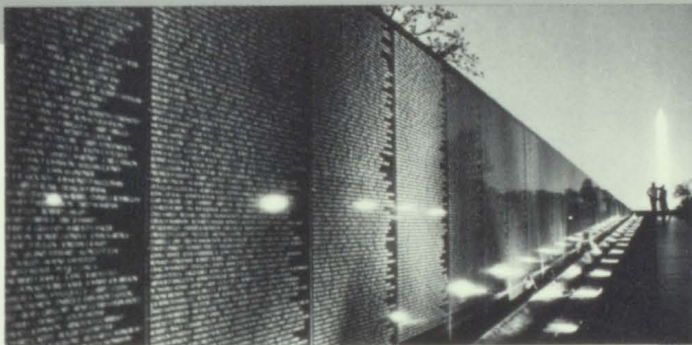

*Bruce Springsteen closed his tour '84-'85
America mourned when seven astronauts died
The space challenger disaster was viewed by all
In Switzerland a Summit Meeting was held in the Fall*

*The world was warned of the U.S. disgust
With all the terrorism and mistrust
Libya was raided by the U.S. Air Force
Meanwhile, Halley's comet took it's expected course*

*On Tuesdays "Moonlighting" caused a few laughs
As David and Maddie brought T.V. some class
Soap lovers drooled over "Days of Our Lives"
Especially when they thought that "Roman's alive!!"*

*Russia experienced a tragic meltdown
Which cused radiation to fall to the ground
Aquino took charge in the Philippines
Marcos left and didn't cause a scene*

*And now the school year is finally done
All these events have led up to one
The Seniors will graduate from Chester High
To all their friends they'll say good-bye
They'll be remembered with a laugh and a smile
As the Senior class that gave Chester some style*

MUD SLIDE — The Red Cross joined the rescue effort in Colombia after Nevado del Ruiz volcano erupted, causing a mud slide that killed 20,000.

WORLD SERIES — Bret Saberhagen led the Kansas City Royals to victory in the World Series. Saberhagen pitched a five hitter and was named MVP for the Series.

ANNIVERSARY — Ceremonies at the Vietnam Memorial in Washington, D.C., and a veteran march in New York City commemorated the 10-year anniversary of U.S. withdrawal from Vietnam.
